# MADELAINE O'REILLY-BROWN

morbrown@stanford.edu
Department of Linguistics, Stanford University
+1(314)728-3150 ⋄ Stanford, CA

## EDUCATION

**PhD in Linguistics**, Stanford University, Stanford, CA 2021–present
Dissertation: 'Title'
Advisors: Vera Gribanova (co-chair), Boris Harizanov (co-chair), Cleo Condoravdi, Mia Gong

**Bachelor of Arts, first class honours**, McGill University, Montréal, Canada 2016–2019
*Honours thesis: Naañ* as a Tag Question and a Discourse Marker in Hindi-Urdu
*Advisor:* Junko Shimoyama

## RESEARCH

**Areas** (Formal and Experimental) Syntax, Syntax-semantics interface, Historical linguistics, Typology

**Interests** Turkic languages, Control, Binding, Pronominal syntax and interpretation, Case, Relative clauses, Nominalization

## WORKS IN PROGRESS

**The syntax of controllable pronouns: a case study from Uyghur** Submitted to Natural Language and Linguistic Theory

**Case change in Finnish embedded clauses: Itkonen structures 50 years on** Submitted to Glossa
Coauthors: O'Reilly-Brown, Madelaine (first), Brandon Papineau (first) and Arto Anttila (second)

## CONFERENCE PROCEEDINGS

**Decoupling binding and Agree: evidence from long-distance reflexive binding in Uyghur** Submitted
Proceedings of the 11th Workshop on Turkic and Languages in Contact with Turkic

**The Subject Extraction Asymmetry in Uyghur Relative Clauses** 2025
Proceedings of the 42nd West Coast Conference on Formal Linguistics (WCCFL)

**The Hindi-Urdu Particle *Naañ* as Two Lexical Items** 2020
Proceedings of the tenth conference on Formal Approaches to South Asian Linguistics (FASAL)

## INVITED TALKS

**The syntax of controllable pronouns: a case study from Uyghur** 2026
Invited talk at Northwestern University **GROUP NAME?**

**The syntax of controllable pronouns: a case study from Uyghur** 2026
Invited talk at SynFL, Stony Brook University

**A new paradigm: person-conditioned asymmetries in Uyghur nominalized clauses** 2026
Invited talk at SSCircle, The University of California, Berkeley

**Null subjects, control, and agreement in Uyghur** 2025
Invited talk at S-Circle, The University of California, Santa Cruz

**The Subject Extraction Asymmetry in Uyghur Relative Clauses** 2024
Invited talk at Topics in Turkic Seminar, The University of Southern California, Los Angeles

## CONFERENCE TALKS

**Uyghur Reflexive Binding is not Agree** 2026
Presentation at the 11th Workshop on Turkic and Languages in Contact with Turkic, MIT

**The Subject Extraction Asymmetry in Uyghur Relative Clauses** 2024
Presentation at the 42nd West Coast Conference on Formal Linguistics, The University of California, Berkeley

**Scalar implicatures from "some" to "not all" are highly variable and context-dependent** (with Judith Degen) 2024
Presentation at the annual meeting of the Linguistic Society of America

**Itkonen Structures 50 years on** (with Brandon Papineau and Arto Anttila) 2022
Presentation at the third annual AMC Symposium on historical linguistics, The University of Edinburgh, Edinburgh, Scotland

***Naañ* as a Tag Question and a Discourse Marker in Hindi-Urdu** 2020
Presentation at the tenth meeting of the (Formal) Approaches to South Asian Linguistics Conference, Columbus, Ohio

**Restructuring in Hindi-Urdu** 2020
Presentation at the annual meeting of the Montreal-Ottawa-Toronto-Hamilton (MOTH) Syntax Workshop, Toronto, Canada

## TEACHING

*Stanford University*

**Teaching Assistant, Historical Linguistics** Spring 2025
Instructor: Chelsea Sanker

**Teaching Assistant, The Syntax of English** Winter 2024
Instructor: Vera Gribanova

**Teaching Assistant, Historical Linguistics** Winter 2023
Instructor: Chelsea Sanker

## OTHER PEDAGOGICAL EXPERIENCE

*Stanford University*

**Guest lecture:** "Pronominal syntax and interpretation in Uyghur." 2025
Introduction to Research for Undergraduates. Instructor: Brandon Papineau

**Guest lecture:** "Relative Clauses in Uyghur." 2022
Introduction to Research for Undergraduates. Instructor: Brandon Papineau

## REFEREEING

**Journals** 2026
*Linguistic Inquiry*

**Working Papers** 2026
*The Workshop on Turkic and Languages in Contact with Turkic*

**Conferences** 2022
*The West Coast Conference on Formal Linguistics*

## SERVICE

**Admissions Committee, Member** 2025
*Stanford University*

**Syntax and Morphology Research Seminar, Organizer** 2022–2023
*Stanford University*

**West Coast Conference on Formal Linguistics, Volunteer** 2022
*Stanford University (online)*

**Events Committee, Member** 2021–2022
*Stanford University*

## AWARDS & FELLOWSHIPS

**Community Impact Award** 2025
*Stanford Alumni Association*

**William R. and Sara Hart Kimball Fellowship** 2021–2025
*Stanford University*

**James McGill Scholarship** 2016–2019
*McGill University*
